

## My sweet river Nagasegawa

### 1st chorus

Off the train and on to our loving way,  
Moving on as one this lovely sunny day,  
Trying to be cool cause nothing left to lose,  
Holding hands to keep away the blues.

The memories of childhood blowing in the wind,  
Wouldn't mind recalling the feeling way back when.  
The place where we first met is the Syoutokukan,  
Well I still haven't found out where I should have gone.

Wherever you go, I'll follow you there, no matter how far you stray.  
Whenever you smile, I am much stronger then.  
Everything will be OK, there'll be another day,  
Loving you makes me love my life again.  
My sweet river "Nagasegawa."

### 2nd chorus

A sudden call from you, tonight fills my mind.  
Leaving the job behind and drink a glass of wine  
Laughing away our cares, its all so very nice.  
Going out together, you take me to paradise.

The memories of romances blooming in the flowers  
Are fragrant and precious and linger on for hours.  
We played as though film stars of the Teikoku Kinema  
Well, I still haven't found out what I should have done.

Wherever you go, I'll be waiting for you, no matter how long it takes,  
Whenever you look at me, I am much braver then  
Everything will be OK, there'll be another day,  
Loving you makes me love my life again.  
My sweet river "Nagasegawa."
